

FORCES AND STRATEGIES OF WORLD ORDER

At Cosmic and Global Level

LEGEND: (in order of appearance)

- **FOG** = Force Of Good (at the source of all creation, usually plainly called "GOD" by most people)
- **FOB** = Force Of Bad (devil force created and allowed to exist by FOG for us to exercise freewill)
- **OWO** = Old World Order (mainly the Jewish *Debt-Money-Changers* seeking world domination)
- **NEWO** = New Enslaving World Order (our better description of the innocuous **NWO** acronym)
- **NWO** = New World Order (the satanic Abrahamic coalition seeking holistic world domination)
- **DAS** = Debt Approach Strategy (for world domination through mainly war and debt-money)
- **GAS** = Global Approach Strategy (for domination through all: war, money and Satanic culture)
- **TAS** = Transnational Arrangement State (the worst of the transnational Sweat elites under GAS)
- **CAS** = Closet Arrangement State (the deep state with organizations like BlackRock and Tavistock)
- **SAS** = Shadow Arrangement State (persons like Kissinger and Soros and bodies like UN and EU)
- **FAS** = Face Arrangement State (our puppet national governments "selected" by higher levels)
- **SWEAT** = Satanic World Enslavement Abrahamic Team (the bad elites enslaving the rest of us)
- **MOWOP** = Master One-World-Order Plan (the master plan of global enslavement by the Sweat)
- **Black Brotherhood** = mainly royal and religions authorities with Vatican before Pope Francis.
- **White Brotherhood** = mainly UN, EU, WEF, Israel, China and Vatican since Jesuit Pope Francis.
- **FALPO** = FtatAristarchy Liberating Patriotic Order (the good national order of FtatAristarchy)
- **SEGWO** = Satanic Enslavement Global World Order (the bad New World Order being imposed)
- **DebtOcracy** = fake democracy based on *debt-money* indebting both the nation and its people.
- **FtatAristarchy** = real democracy based on full truth and transparency along with merit and beauty.
- **Fortunately FOG is always present at all levels to help us if we use our freewill correctly.**
- **Fortunately also for us, the FOB (OWO and NWO) are at war with each other for supremacy.**
