Paraphrasing the real Master called Jesus, not the fake Pauline Jesus, we can say:
Only "Decentralized-All-Truth-All-Knowledge Shall Set You Free"

By: Jacques H Drapeau / Pythellippos / ZAK

The **“STOP SECRECY” Movement** is in most cases the essential preliminary first step to establishing a brand new [DatakAristarchy](#). The second step shall be the formation of a national **“STOP SECRECY” Political Party** at national level promoting the reforms of [DatakAristarchy](#). The third step would be the creation of a **“STOP SECRECY” United Nations** at world level.

[DatakAristarchy](#) intends to free us from our national and global enslavement in our current fake democracy through [30 cumulative reforms](#) implemented in 3 cumulative stages and levels. These reforms are drastic, and may be considered a utopia by the elites enslaving us in our fake

democracy. But if a political leader wins an election at full majority with these reforms as a fully binding electoral contract, even the most falsely utopic one, Reform 12, is implementable (governing without public debt by deleting all previous interests created without electoral consent, certainly so when their sum is bigger than the national income. Only the criminal central bank would justly suffer, while citizens would only enjoy corresponding benefits).

In addition the other reforms would eliminate all the main wars and their related corruption and macro-criminality, along with most of the worst micro-criminality affecting our society today.

Again, the first tool of the fans of this real and improved form of democracy would be the above **“STOP SECRECY” movement** in all aspects of public life, in all *Big-Money* affairs, and in all private affairs affecting seriously and unduly the public affairs. After this movement has set roots to the point of being fully implemented in the current fake democracy, the first 2 reforms of **“Decentralized-All-Truth-All-Knowledge”** can be easily and quickly fully implemented. By this process, the fake current democracy will already have become an embryo of **DatakAristarchy**. The additional implementation of the other 28 reforms, over and above the first two, will also transform what is left of its fake democracy into an **“Aristarchy”**, and consequently achieve the birth of a new and full [DatakAristarchy](#).

Let it be clear that an **Aristarchy**, as opposed to a democracy, is **“Government by the Aristos”**, i.e. **“Government by the best ones”**. The **“best ones”** in this case are not only the ones fully enlightened by the **“Decentralized-All-Truth-All-Knowledge”** of **DatakAristarchy**, but by those leaders who have been formed and extracted from the best possible system of classical education as invented by **Ancient-Greece**, i.e. the education forming the 3 basic levels of the **Tetractys** of the soul of its students to the best cardinal virtues of human behavior and the best possible attributes of an honest human critical mind in order to achieve the 4th level of Wisdom.

Decentralized-All-Truth-All-Knowledge Aristarchy

Paraphrasing the real Master called Jesus, not the fake Pauline Jesus, we can say:
“Only DATAK (Decentralized -All-Truth-All-Knowledge) shall set us free”.

Quoting the main philosopher of enlightened liberty called **Plato**, we can add:

“Know Thyself”
Do Not Fear Death, Only Life Without Truth
What Can Be Destroyed By Truth, Should Be!

In **DatakAristarchy**, real sovereign authority comes from the people, but from the best people enlightened by “*All-Truth-All-Knowledge*”, be they voters or elected leaders. All receive best holistic education. All act in full liberty of speech about all public affairs and full transparency about all public no-debt-money. This meritocracy provides full liberation from any enslavement. It can be considered an ideal “Platonic Republic”.
