CURRICULUM

An author with an unusually extensive experience of world affairs

The Author - Juris Doctor

Jacques H Drapeau
Former Canadian Diplomat

The author's experience at age 83 is quite unique in quantity and quality for best comprehension of the complex world of today. He graduated at the **University of Ottawa** as a Juris Doctor lawyer with an additional certification in political sciences. He worked for 25 years around the world as a fulltime **Canadian career diplomat**. He then moved into a thoughtful early retirement to be hired by the **American Embassy** in Rome where he worked for 13 more years. This is where he also acquired his additional skills as a **Webmaster** while being **Database Administrator**. With these additional skills he now creates and writes for his own websites entirely by himself. He studied seriously **ten languages** and still speaks five very fluently. He got to know over **100 countries** on all continents except Oceania. He lived in countries of the extreme **Right**, like the **Chile of Pinochet**, of the extreme **Left**, like the **Soviet Union of Brezhnev**, and of the extreme "**Wild**", like the **Uganda of Idi Amin**. He is a **pianist** with a passion for **philosophy** since he was an adolescent, and for **Opera** since he became an adult living in Italy. He has a **Greek** wife who graduated as a psychologist, is a world expert artist painter on

fine porcelain, and is most cultivated in Greek philosophy and the history of classical fine arts. They have three university graduate children living in **England** (a daughter doctor specialized in Infectious Diseases), in **Canada** (a son mathematician), and in **Italy** (another daughter doctor dentist). From the people who know him well, Jacques is simply "**ZAK**". The above unique profile is the one at the source of this book on **FtakAristarchy** (**Full-Truth-All-Knowledge Aristarchy**).

FtakAristarchy intends to free us from our national and global enslavement in our current fake democracy through 30 cumulative reforms implemented on a national track of 2 parallel rails of **The NIFMA Way**. On the public side, their rail is absolute **Full-Truth-All-Knowledge** about all public affairs and officials, exposing them all openly to humanity from any source, human or alien. On the private side, their rail is a return to holistic private education of best Ellenistic ELL (Enlightened Logos Liberty) roots for the 3 levels of the Tetractys of the human soul, for all human activity to be **Total-Love-Only-Beauty**. Our liberation will then be achieved on the 2 rails of **The NIFMA Way** (shown below, based on FTAKA and TLOBA), with the help of NELPA in a new form of medicine.

(The NIFMA Way should lead to the formation of a new UN called first, FtakUN, then FtakUW)

Executive Summary

This book title is [FtakAristarchy](#) (**Full-Truth-All-Knowledge** Aristarchy). This is a brand new acronym coined to describe the best possible form of direct and participative democracy, as a form of governance that is as close as possible to the original concept of best democracy that was invented by **Ancient-Greece**. As such,

[FtakAristarchy](#) is as different as it can be from the fake democracy that we supposedly have today in the most democratic world. The prefix "**Ftak**" of the new acronym means fully what it says: **Full-Truth-All-Knowledge**. The "**K**" also stands for **Kallos**. The "**T**" also stands for **T**ransparency. The suffix "**Aristarchy**" means governance by the "**Aristos**", by **The Best Ones** in terms of capacity and enlightenment (based on Truth, Knowledge, Virtue and Beauty in their conduct and lifestyle) because of their extraction from education similar to the one also invented by **Ancient-Greece**, as holistic education forming the 3 levels of the [Tetractys](#) of the human soul.

The book is in two parts. The substantial [PART 1](#) is all negative, but the even more substantial [PART 2](#) is all positive. The first negative part describes our current situation of enslavement through various means based on traditional [DDDD](#) (**D**ebt, **D**ogma, **D**isinformation and **D**espair) and new more modern means like what is being called with these other new acronyms: [Banktatorship](#), [Healthtatorship](#) and [Newstatorship](#). The second positive part is based on a set of 30 cumulative reforms at 3 levels that can be seen on this [Nutshell](#) as the A), B) and C) levels, with each level including 10 [FtakAristarchy](#) reforms. Total: [30 cumulative reforms](#) (s. page 18).

Most authors approaching this subject of global enslavement will only write about the negative part, criticizing what is taking place, and who is responsible for it. Of course, this negative part is important as without people knowing first what is really going on, they cannot decide properly what actions to take to correct the situation. In addition, this criticism is a **Full-Truth** that has to be expressed in the most open and explicit way, as embarrassing as it may be, which most authors avoid to do in order not to damage their own life and career, or suffer *character assassination* from the powerful elites being criticized. This author is as open and explicit as any writer can ever be and, with his **Full-Truth**, he hopes to reach even the persons who are usually too indoctrinated to be able to recognize truth. This book is particularly notable by the fact that the author spends fewer efforts to criticize, and more effort to suggest concrete solutions in the positive [PART 2](#) that is nearly always absent in other books on the same subject.

[Constructive FTAKA \(Full-Truth-All-Knowledge Aristarchy\) Reformation](#)

To request politicians and all public officials to stop lying and provide only **Full-Truth** about all public affairs is a clear revolution in the current context of our fake democracies. But if such lies become serious crimes punished most severely, this reform becomes possible and immensely useful for all citizens to best decide what to vote before an election and to do during a mandate.

To request public officials to reveal **All-Knowledge** of earthly or alien source that is kept secret at the moment can be greatly useful for improving our wellbeing or save us from undue damage from evil plans of big corporation and military bases. If hiding such useful information becomes a serious crime punished most severely, this reform can also be immensely useful to all citizens.

The above are only the first two reforms of major change in [FtakAristarchy](#) (s. page 18). If our treasury creates only *metal-backed-debt-free* money, eliminating all usury, fractional reserve and borrowed public debt of *fiat debt-money created out of nothing by private banksters*, most of our **economic problems** will be inexistent or disappear quickly. And only property and sales tax will be required to finance governance, along with possible occasional tariffs, with no/no income tax that was invented only to reimburse the now inexistent *public-debt-money*.

If we eliminate our costly outdated parliament of babbling corrupted representatives who are no more necessary since the cumulative inventions of the telephone, the television, the airplane and the Internet, and we govern with a lean staff of as few as only 3 elected governors under a fully binding contract, most of our unnecessary ridiculous **political problems** will cease to exist.

If we use common sense to finally start remunerating all women citizen mothers who decide to work at home to raise children and maintain a good two-parent home, reinforcing all our best traditional values regarding family, society, nation and culture, most of our **social problems** of micro-criminality will disappear. This is true in particular if we also reform our schooling system to eliminate current enslavement indoctrination, making it to return to provide only real holistic education of the 3 levels of the [Tetractys](#) of the human soul, along with more useful social market instruction, like in our best previous periods of civilization based on Greek [Philotimo](#).

If we stop the undue interference of all warmonger gods in public affairs (like the [Yahweh](#) of the Bible of Judaism and the [Allah](#) of the Koran of Islam requesting constantly all sorts of wars and massacres in their respective holy books), and we admit the public influence of only gods preaching compassion and forgiveness (like the Hellenistic [real Jesus](#) of [JesusELLism](#), not its fake deviated Jewish figure of the institutional Judeo-Christian Church who used him for Inquisition and wars of religion), most of our future **war problems** will probably not even ever be born.

The above are only some few reforms, but the whole set of 30 reforms of [PART 2](#) of the [Nutshell](#) (s. page 18) are also extremely useful, each of them in various other cumulative ways. Why should we be so stupid as to not implementing them all? The propaganda of the cabal enslaving the rest of us has engineered us to believe that such reforms are idealistic utopia, but the cabal members are only few, and we are many. The enlightened "*Many*" acting all together can easily overrule the evil "*Few*". Certainly, if an enlightened politician wins an election at great majority with the 30 reforms of [FtakAristarchy](#) as a **fully binding contract**, nothing can prevent their full implementation, let alone their implementation in the most possible democratic way.

With [FtakAristarchy](#) we go "***From Slavery Downwards to Slavery Upwards***". The slaves are no more an ignorant mass of people at the bottom, like it is the case today, because they are well enlightened by ***Full-Truth, All-Knowledge, Full-Transparency, Full-Speech*** freedom and full [Philotimo](#) holistic education. The new slave-like persons are the elected or permanent public servants who choose freely to act as good public officials or leaders at the top with, in any case, some good remuneration and great justified prestige in front of the community they well serve.

With [FtakAristarchy](#), we also achieve automatically, and in the most peaceful democratic way, the dismantling of the [longest conspiracy of global world enslavement](#) through a long pursued dictatorial **One-World-Government**. This conspiracy against mainly Hellenism has existed for hundreds of years, but could never yet be accomplished because of the lack of proper means. These means do exist today, so the Cabal using them is very close to succeed. [FtakAristarchy](#) prevents this evil success of the Cabal that we call [FastCABAL](#) (Fake [Abrahamic](#) [Satanic](#) [Technocratic](#) [Cabal](#)) to achieve the type of global enslavement of the rest of us in a regime that we call the [TsegTechnocracy](#) (Totalitarian [Satanic](#) [Enslavement](#) [Global](#) [Technocracy](#)).

Enlightening a Global Enslavement Conspiracy Reality

Who on Earth gave top level of power to hidden evil elites capable of transforming all our elected national leaders as their puppets, and use these puppets to enslave the rest of us? Who on Earth gave an immense abusive power to so many totally unaccountable unelected persons and organizations to enslave all of us, and enslave also all our national governments worldwide, doing so through subliminal or obnoxious national and supranational commands, with ensuing extreme multi-level legislation, unlimited debt-money created out-of-nothing (to be all reimbursed by us as real money), and diktats for which we never had a chance to vote? And why are we so stupid as to accept all this incredible abuse of power with no opposition, let alone with total passive submission, like it is obviously the case today? Who gave such abusive power to the unelected and totally unaccountable [UN](#) and the [WHO](#)? Similarly to the [EU](#) Commission? To the [WEF](#)? To the [IMF](#)? To the [WB](#)? To the [BIS](#)? Who gave similar immense abusive power to even many operators acting on their own, as private individuals, like a **Soros** and a **Gates**? Who gave banks the power to “*debank*” you and ruin your life if you hold opinions that their higher [WOKE](#) managers do not like, as they did for example to British Brexit [EU](#) politician **Nigel Farage**?

These visible actors are also behaving together worldwide in such a coordinated way that they can only be the puppets themselves of even a higher invisible master-level hiding and commanding them in the background, at an unlikely simple human level. Who is their “Master” at that top level? Whoever it is, the cumulative evil power of global enslavement produced by all the above visible actors acting all together as a worldwide coordinated cabal is so immense that, in all logic, it cannot come from a source at the common human level, certainly not as a power above humans that could have been granted to them by any of the rest of us hiding at the human level. In addition, most of the top level visible actors of the unelected and unaccountable organizations of this global cabal, in consideration of the obvious evil objectives they pursue, and the flagrant misery they cause to the rest of us, can only be perverted human souls possessed by an evil force that can only come from beyond the human level. Who is their evil grand master?

For lack of a better name, the evil top source of this power beyond the human level can only be best called [Satan](#), not of course the ridiculous religious Satan with a fork and a hell of fire, but the commanding cosmic [Satan](#) who is the powerful cosmic [FOB](#) (Force Of Bad) fighting continuously the fundamental creative cosmic [FOG](#) (Force Of Good) that we call [SLAC](#). The [FOB](#) that we call [Satan](#), certainly manipulates his possessed souls with his own immense destructive power for his own evil purposes. As such, his visible puppet actors under satanic possession become the operators of a real conspiracy of global enslavement for the rest of us. This is the reason of the current global decadence transforming our world in a **Hellandia** or **Slavelandia**.

To an attentive observer, as seen further down in [part A](#)) of this synthesis, the [UZE](#) conspiracy for this global cabal involves a disproportionate majoritarian number of Zionist Jews, but it is nevertheless quite clearly not the so-called “**Jewish Plot**” even if our enslavement, in many ways, looks caused by a **ZioCracy** (“*Rule By Zionists*”). It is rather clearly a “**Satanic Plot**” using mainly Zionist activists. The Holy Scriptures call these evil activists (with Zionists in main roles today) as “**Those who may say they are Jews, but are not Jews, as they are the Synagogue of Satan**”. They are not orthodox Jews, but mainly [Khazarian](#) fake Abrahamic Zionist Jews, those of the six categories that we call [FakeJEWS](#), with their most ancient roots in Satanic Babylonian [Loxism](#).

In short, the cosmic [Satan](#) is powerful, and he is in charge of our national and global enslavement through possessed human souls that he leads to be powerful for his evil purposes. This is why most main global events of **TV World Vision** or from **Hollywood Entertainment** today are so full of satanic symbols. And these satanic symbols have become so common that, at the moment, they are mostly unnoticed, or not understood as such by most people, not in particular by the

younger generations of today that grew up with these symbols, even if the symbols are clear indications of global satanic enslavement for the attentive observers of their older generations. Fortunately, if the rest of us become fully aware of this satanic conspiracy, and if we act together as [FtakAristarchy](#), possibly helped by a new [FtakUN](#), we can dismantle easily our enslaving global cabal that we will call [FastCABAL](#) (Fake [Abrahamic Satanic Technocratic Cabal](#)). This is the purpose of the necessary [30 cumulative holistic reforms](#) of this book (s. [page 18](#)) to be applied to our fake democratic world, contributing to make it a liberating [FtakAristarchy](#) instead of a [UZE](#).

[A More Explicit Look at the Global Enslavement Conspiracy Reality](#)

In short, an omnipotent cabal is working hard at a global world level to enslave the rest of us in a new totalitarian **One-World-Government** as soon as possible. We call the cabal [FastCABAL](#) (Fake [Abrahamic Satanic Technocratic Cabal](#)), and call the pursued new totalitarian global regime the [TsegTechnocracy](#) ([T](#)otalitarian [S](#)atanic [E](#)nslavement [G](#)lobal [T](#)echnocracy).

[Six Global Enslavement Steps](#)

The above satanic cabal working for the global enslavement of the rest of us wants to form a new worldwide totalitarian **One-World-Government** through 6 cumulative diabolic steps:

1. **NATIONAL GOVERNMENTS OF NORMAL COUNTRIES**: such governments have to become obedient puppets gradually phased-out in a [UZE](#) or global **One-World-Migrant-Melting-Pot**.
2. **GOVERNMENTS OF CURRENT SUPERPOWERS**: such competitive governments have to be made to collapse or be destroyed, to be replaced by a **One-World-Dictatorial-Government**.
3. **RELIGIONS INFLUENCE**: all main religions must be disempowered to leave only Judaism, or rather a [Panthriskia](#) of [Fake-Jew](#) acolytes spreading a new **One-World-Luciferian-Religion**.
4. **MEN MADE EFFEMINATE**: incapable via food, chemicals and excessive bad migrant invasion to fight their replacement and their easy enslavement via a **One-World-Digital-Currency**.
5. **DEBT AND WAR WORSENING**: profitable wars must continue, and global debt must increase to keep people enslaved in *Debt-Money* in a [UZO](#) or a **One-World-Central-Banktatorship**.
6. **A NEW WORLD CAPITAL CITY**: a new geopolitical base is prepared in a city that is not one of the capitals of current superpowers, hopefully in [JerUSAlem](#) as a **One-World-Global-Capital**.

The first step regarding our national governments is already in great part accomplished. Most national leaders are not elected, but “*pre-selected*” through various types of corruption and manipulation affecting the preparation of a national election. In most countries, the [FastCABAL](#) already makes us vote for only candidates who will become its best obedient puppets. The non-puppet exceptions that may slip through and gain power will usually only temporarily delay the global plan (like a **Berlusconi** and a **Meloni** in **Italy** or an **Orban** in **Hungary**), but they are usually fast eliminated through created fake scandals or constructed *character assassination*. The fake *good* national puppets being elected will obey the diktats of supranational unaccountable and unelected entities, like the [EU](#), the [WEF](#), the [UN](#) or the [IMF](#), or even those of rich evil private individuals like a **Gates** or a **Soros**, along with those of the biggest transnational [BigBusiness](#) corporations overruling them. All puppets will also facilitate massive migration [MUMI](#) movements to dilute strong national values and, as per the [Kalergi Plan](#), create obedient slaves in a [UZE](#) ([U](#)nited [Z](#)ionist [E](#)arth), or at least in a **One-World-Migrant-Melting-Pot**.

The second step regarding superpowers is also already in great part accomplished. All the old entities of superpower have to be disintegrated or eliminated. The main one, the [USA](#), is already falling apart. Its dollar will soon collapse as the world reserve currency. [USA](#), commanded fully already by the [FastCABAL](#), has become only a powerful colony of the [Fake-Jew UZI](#) or [Assblsrael](#) that is its master on the political side, and by **China** that is its master on the economic side. When the [USA](#) will fall, its minion superpower called the [EU](#) will also fall. It is already facing a death sentence for its self-destructive obedience to the [USA](#) sanctions against **Russia**, but also

for collaborating to all the fake-war initiatives of the [USA](#) regarding **Ukraine**, **Gaza** and other places. After the fall of the [USA](#) and the [EU](#), the paper-dragon of **China** will also fall because it is powerful mainly in terms of commercial products that will have lost the fallen markets of their main buyers. The fake war in **Ukraine** was to provoke Superpower **Russia** for a reaction that could bring its fall, provoked by [NATO](#) expansion, the [USA](#) coup in 2014, and the persecution of Russians in **Donbass**. The secondary objective of the fake war in **GAZA** is also to provoke powerful **Iran** to bring its fall. The election of **Jesuit Pope Francis** was meant to destroy the powerful influence of the **Vatican**. Strong [EU](#) countries like **France**, **Germany** and the [UK](#) are conspired to fall along with other [EU](#) kingdoms via planned invasion of Islamic useful idiots. [NATO](#) is only a temporary tough face before the inevitable above falls, and before its own fall. The resulting misery will make people beg for a [UZE](#) or a **One-World-Dictatorial-Government**.

The third step regarding religious influence is also in great part accomplished. Since the [Vatican Coup of the Council of Vatican II in 1962](#), the **Vatican** has been fully under the discrete command of Judaism. With the election of **Pope Francis** in 2013, the first pope from the **Jesuits** founded by a Jew, the **Vatican** has been deceitfully entirely controlled by the luciferian [Fake-Jew](#) Zionists of the [FastCABAL](#), and is now more concerned with following the [WOKE](#) political agenda of the [FastCABAL UN](#) than the traditional spiritual agenda of the **Christian Church**. Regarding **ISLAM**, its **SUNNI** side was clearly founded by [FakeJEWS](#). Many of their descendants are today collaborating deceitfully with Zionist **Israel** and the [BRICS](#) for a new global power of world domination. Its **SHIITE** branch in **Iran** is in great danger of being disempowered soon, by **Israel** and its powerful [USA](#) colony, even at the risk of nuclear WWII. This infiltration of major religious institutions is facilitating the advent of the [Panthriskia](#) of a new [UZO](#) or a **One-World-Luciferian-Religion**.

The fourth step already brought effeminate western men to produce ½ the sperm of previous generations and ¼ of the bad migrant invaders for their easy *Great Replacement*. Digitalization via [Internet Of All Things](#) & [CBDC](#) will ensure their submission in a **One-World-Digital-Currency**.

The fifth step of world debt aggravation is progressing fast. A debtor is a slave of the lender. Constant wars only create profits to lenders: before war (financing buying arms), during war (financing operations of both sides) and after war (financing reconstruction). War deaths only mean easier global control of less people through a [UZO](#) or a **One-World-Central-Banktatorship**.

The sixth step regarding the establishment of a new world capital for the [FastCABAL](#) is deceitfully being prepared by the growing balkanization of the **Middle-East** through wars constructing the [UZI-Greater-Israel](#). The [FastCABAL](#) wants to establish its new world Capital in [JerUSAlem](#). It cannot be in **Washington**, **London**, **Brussels**, **Rome**, **Moscow** or **Beijing** because it has to be under the full control of the [FakeJEWS](#) intending to run the world from the city with best [Loxism](#) roots. The Cabal already acquired new pieces of land from **Syria** and **Jordan**. Other pieces from **Egypt**, **Iraq**, and **Lebanon** are to be acquired soon through new false flags. The evacuation of **GAZA** in 2025, through the false flag of October 7, 2023, is only a new initiative to increase [Greater-Israel](#) and build the new **Ben-Gurion Canal** to replace **Suez** with a better canal all in **Israel**, from **Eilat** on the **Aqaba Gulf**, up the **Jordan River** to the **Mediterranean Sea** via **Gaza City**. If all the above facts succeed, the **Two-States** plan will disappear, reinforce **Jerusalem** as the **One-World-Global-Capital** candidate, and make [UZI-Israel](#) head of a [UZE](#) (United Zionist Earth). If not, **Ukraine** may become **New-Israel** to be best called [Kukraine](#) (Khazarian Ukraine).

With the above 6 steps, the [FastCABAL](#) enslaving the rest of us will be fully in charge of the fast coming global [TsegTechnocracy](#) of their desired new [UZE One-World-Dictatorial-Government](#). It is late already, but if we wake up in majority with [FtakAristarchy](#), possibly helped by a new [FtakUN](#), this might save us from our complete global Zionist-controlled satanic enslavement in what we can call, to say the least, a [UZE](#) (United Zionist Earth).

The Solution to Avoid our Global Enslavement is FtakAristarchy

[FtakAristarchy](#) is certainly an improvement to democracy, but what democracy? We certainly do not have democracy today in supposedly the best democratic world. We have at least forms of [Oligarchy](#) (“rule by the rich few”), [Kleptocracy](#) (“rule by thieves”) and [Debtocracy](#) (“Rule by the creators of debt-money”). We are very close to having only a very rudimentary [Dupe Democracy](#) that, as “rule by duped people”, meaning by ignorant people, is too often only “mass-rule” or “mob-rule”. This is clearly fake democracy that is a kind of [Kakistocracy](#) (“rule by the bad ones”) or [Cryptocracy](#) (“Rule by hidden leaders of a deep state behind our official puppet face leader”).

[FtakAristarchy](#) corrects all the above forms of fake democracy by its [30 cumulative reforms](#), as a new form of AristoDemocracy or even [AristoTechnocracy](#) that maintains citizens in best possible enlightenment for forming their best opinion about governance in an election through the best fraud-less bio-anonymous [BAVAD](#) voting system for executing a fully binding electoral contract.

[Reform 1](#) imposes absolute **Full-Truth** about all public affairs and all public officials, with a serious crime lying about them. [Reform 2](#) imposes **All-Knowledge** to be revealing to all citizens all the useful information and knowledge known in this world, from all earthly and alien sources, also with a serious crime hiding it. [Reform 3](#) imposes all lobbying to be done fully and only openly on a dedicated lobbying TV channel, again with a serious crime doing otherwise. [Reform 5](#) imposes the same kind of full transparency about all public money to be seen by all citizens as if it were their own bank account. [Reform 6](#) imposes full respect of absolute freedom of opinion, even for hate speech. [Reform 4](#) prevents all politics to be influenced by [BigMoney](#) finances or by any network of media that prevents separate independent media to compete for **Full-Truth-All-Knowledge** ([Reform 7](#)). Citizens must vote to maintain citizenship, but they all vote in the most possible perfect bio-anonymous voting system ([Reform 9](#)), and for a fully binding electoral contract to be completed undisturbed by only 3 elected executive officials without barriers from any court, or an inexistent babbling parliament ([Reform 10](#)). [Reform 8](#) imposes a *Natural Earth-Life* approach to all sciences with Medicine as Phytotherapy *Health Care* instead of *Disease Care*.

Armed with all the above reforms, **Full-Truth** and **All-Knowledge**, the improvement brought to democracy by [FtakAristarchy](#) cannot be called “*Mob-Rule*”, as if “rule by the ignorant people”, because citizens are no more ignorant or impotent. It cannot either be called “*authoritarian*” in the traditional sense, because it is not an **Oligarchy**, as if “rule by the rich few”, even if few (only 3 governors) do rule. The country is in fact finally ruled by the sovereign will of “*We The Enlightened People*” who all voted obligatorily, in full majority, in an enlightened way, and for only a small executive charged to complete the fully binding electoral contract without any barrier from an inexistent parliament or from any existing court of law. It cannot even be called anymore a **ZioCracy** (“Rule by Zionists”) or a **SatanOcracy** (“Rule by Satan”) because these evil figures have lost their older power under the growing new [JesusELLism](#) influence ([Reform 26](#)).

This book, possibly helped by a new [FtakUN](#), seeks two major improvements to our democracy:

1. A new structure of government called [TetractArium](#) replacing in a lean way an outdated traditional elephantine babbling parliament (see the [TetractArium](#) graphic shown on page 17).
2. A list of 3 levels of 30 reforms (see [page 18](#)) to our fake democracy to achieve [FtakAristarchy](#) and ensure our full liberation from national and global enslavement from a growing [TsegTechnocracy](#) (Totalitarian Satanic Enslavement Global Technocracy) being implemented today worldwide by the fake power of the [FastCABAL](#) (Fake Abrahamic Satanic Technocratic CABAL). These reforms are listed in a [One-Page-Nutshell](#) summary shown on a following page 18. The **Part 1**) of that list identifies who are our enslavers. Sections **A**), **B**) and **C**) of **Part 2**) elaborate 3 levels of 30 cumulative reforms to achieve full [FtakAristarchy](#).

Abrahamic Family House at the Source of our Global Enslavement

ABRAHAMIC FAMILY HOUSE in **Abu Dhabi** of the **UAE** (United Arab Emirates): an Islamic Mosque (left), a Christian Church (Center) and a Judaic Synagogue (Right).

The above center is the best representation of the source of our global enslavement. This **Abrahamic Family House** should be renamed as the **FastCABAL Family House** of totalitarian global enslavement managed for the most part by deviated satanic branches of the three **Abrahamic Religions**. This common Abrahamic religious center of mainly "**FakeJEWS**" originated after the signing of the **Document On Human Fraternity** by Judeo-Jesuit **Pope Francis**, in front of other top iman and rabbi authorities, in 2019, in order to assist his push for **Pantriskia** as a fake Christian Judeo-Jesuit pope of supposedly an **Abrahamic Religion** (while the real Jesus was a Hellen with nothing to do with the Bible). It was fully

inaugurated recently in 2023. This is the "**House**" of the evil **Fake-Jew** power hidden in plain sight of who shall fully command the rest of us as global slaves during the coming period of "**Great Tribulation**" to be triggered by the "**Great Reset**" of their civilian puppets like mainly the **UN**, the **EU**, the **WEF**, the **IMF** and the **BIS** acting all together for that purpose.

A new **UN** called **FtakUN** or **FtakUW** as per **Reform 29** could immensely help dismantle this triangle of **FastCABAL** enslavement and establish **FtakAristarchy** more easily in many countries.

ZakArium at the Source of our Full Liberation from Global Enslavement

If the previous **Abrahamic Family House** is the deceitful center of power at the source of our global enslavement, the **ZakArium** (shown below) of **FtakAristarchy** is the center of power at the source of the opposite forces working for our complete liberation from global enslavement. Its entrance is at the ground level on top of a small hill. The lower 3 business levels under it are built opening downhill at the back, in front of its productive farm, including underground level access.

The above is only the top floor, or the noble floor, of the **ZakArium**, where the leaders of **FtakAristarchy** work for our full liberation from global enslavement through a set of 30 cumulative reforms of our current fake democracy (listed in a **Nutshell** on page 18).

The whole building has 4 floors of working and living spaces with some 100 beds (in single and double rooms, in 5 suites and in 3 dormitories), along with a wide variety of all sorts of other spaces for purposes of meetings, restaurants and various types of work or entertainment. It also has an underground floor with parking and storage rooms. The main entrance is at the top of a hill facing its garden of medicinal plants. The other side faces its own wide productive farm.

- The perimeter of the construction: 63m x 54m = 3402 m2 (x 5 levels = 17010 m2)
- The perimeter with terraces: 90m x 72m = 6480 m2 (x 5 levels = 32400 m2)
- The whole land with its garden and productive farm hosts horses and many other animals, plus pathways for sports and walks of appreciation of plants and animals.

Unfortunately the **ZakArium** has still not been built because of the serious economic crisis in Greece that, for now, would prevent its self-financing through a center of recreational activities. The **ZakArium** is located in **Tuscany, Italy**. It will be complemented in **Greece** by the **PsychArium** of **Marina Zea** in **Piraeus**, and the recreational **AnaplasArium** of self-financing in **Vouglia**.

FtakAristarchy does not improve only democracy, but also most of its citizens

Beautiful PythArmy of FtakAristarchy

Nude beauty of best holistically trained members as leaders or simple citizens.

The Soul Beauty of their fully trained **Tetractys** is as beautiful as their Body Beauty, let alone their Role Beauty in serving all living kingdoms of Planet Earth since the completion of their military service as new lifetime **PAS** (Patriotic Army Servants). Here, the male is at maximum beauty at his 4th Pythagorean septennial of life (at age 28), and the female at maximum beauty at her 3rd septennial of life (at age 21).

They have become best patriotic PICCOB (Promethean Idyllic Co-Creator Of Beauty) and skillful HOTAST procreators for life.

Such powerful young man also becomes a gentleman [MEWHOTAST](#) for his chosen spouse.

**Our concept of real Kallos holistic beauty of both body and soul can only be Greco-Roman
Not Judeo-Christian**

The 30 cumulative reforms of [FtakAristarchy](#) listed in the following [Nutshell](#) of page 18 are mostly seen as an improvement to democracy. This is correct, but not at all the whole truth. Many of these reforms also improve not only the wellbeing of the citizens, but even their fundamental qualities as human beings.

As such, [FtakAristarchy](#) improves holistically its democracy, its political life, its social life and even its spiritual life. It improves the best holistic [Kallos](#) beauty of body and soul leading to best possible national living and governance.

The higher Spiritual Ethereal Kingdom lends forms to all natural beings

Planet Earth Natural Kingdoms		
Antinous beauty symbol  Human Kingdom	 Horse, our symbol of the animal Ground Kingdom	 Swan, our symbol of the animal Sky Kingdom
 Sapphire, our symbol of the Earth Mineral Kingdom	 Lavender, our symbol of the plant Vegetal Kingdom	 Dolphin, our symbol of the animal Ocean Kingdom

These symbols on the side are important. They surround and are present in all aspects of the daily activities of [FtakAristarchy](#) that, again, improves not only a most direct and participative democracy, but all political life, all social life, all economic life, all non-institutional religious life, that is, even all spiritual life. [FtakAristarchy](#) shall make us enjoy in the best possible way the beauty of all beings of the natural kingdoms appearing on Earth.

The neckless medallion shown here below defines two cumulative types of intervention for achieving [FtakAristarchy](#). **The way to start** (the first side) to achieve [FtakAristarchy](#) is to be first a proud advocator of it, as a member of the [FtakAGPA](#) movement, even before a [FtakAristarchy](#) is formed. **The second way** (the second side) is to promote it in all our activities, doing so freely from any political party, or from any political affiliation of any other member of the movement. Overall we advocate and promote [FtakAristarchy](#) proudly as “**Full-Truth-All-Knowledge**”, and as “**Total-Love-Only-Beauty**” through a [two-rail track](#) governance called [TetractArium](#). Such medallion should be worn by all promoters, inside and outside of [FtakAristarchy](#) countries.

The most active promoters also promote a new FtakUN or FtakUW

TetractArium of Governance in FtakAristarchy

LEGEND

The above **TetractArium** of governance replaces a Parliament, as there is no house of elected representatives in **FtakAristarchy**. A traditional parliament is eliminated as it is an outdated body that was necessary only before the cumulative modern inventions of the telephone, the airplane, the Internet and the current technology of perfect instant communications worldwide.

Only the central **"GFS"** vertical line is elected. This means only 3 governors are elected on the basis of a fully binding contract for 3 years. That contract has up to maximum 10 items to be executed, but it also includes an annex with a clear outline of any new laws to be implemented, along with their exact source of financing. During an electoral mandate, only the fully binding contract (obligatorily voted at full majority by all citizens) can be implemented, and it is even a transitory priority addendum to the constitution. There can be no surprise during a mandate in terms of new legislation or new taxation. But unpredicted emergency events can all be well taken care of through the system **OBECOF** (**O**ut **B**inding **E**lectoral **C**ontract **O**perational **F**und).

www.EthoPlasin.net

In our current fake democracy, we live in an unnoticed [FastCABAL](#) matrix of full enslavement. With [FtakAristarchy](#) we regain full freedom through **Full-Truth** about all public affairs, **All-Knowledge** of any earthly or alien reality, and full liberty of opinion. We reject all diktats from any unelected and unaccountable [BigOrg](#) except receiving useful advice from the new [FtakUN](#). We do not interfere in any foreign affairs. A fully binding electoral contract is transitorily a priority constitution addendum: all citizens voted it in majority without fraud; no court can stop its application; no parliament is needed to discuss it; no surprise of new legislation or new tax can happen during a mandate. Death penalty for causing massive deaths or damages means few will do it through useless wars or evil tools like fake [COVID](#) bioweapon vaccines. With [FtakAristarchy](#) we go “**From Slavery Downwards to Slavery Upwards**”. This is not utopia as if a political party wins an election with the above reforms, nothing can prevent their full implementation, especially if assisted by a new [FtakUN](#) or [FtakUW](#).
