## ZakArium at the Source of our Full Liberation from Global Enslavement

If the previous **Abrahamic Family House** is the deceitful center of power at the source of our global enslavement, the **ZakArium** (s. below) of **DatakAristarchy** is the center of power at the source of the opposite forces working for our complete liberation from global enslavement. Its entrance is at the ground level on top of a small hill. The lower 3 business levels under it are built opening downhill at the back, in front of its productive farm, including underground level access.

The above is only the top floor, or the noble floor, of the **ZakArium**, where the leaders of **DatakAristarchy** work for our full liberation from global enslavement through a set of 30 cumulative reforms of our current fake democracy (listed in a **Nutshell** on page 18).

The whole building has 4 floors of working and living spaces with some 100 beds (in single and double rooms, in 5 suites and in 3 dormitories), along with a wide variety of all sorts of other spaces for purposes of meetings, restaurants and various types of work or entertainment. It also has an underground floor with parking and storage rooms. The main entrance is at the top of a hill facing its garden of medicinal plants. The other side faces its own wide productive farm.

- The perimeter of the construction: 63m x 54m = 3402 m2 (x 5 levels = 17010 m2)
- The perimeter with terraces: 90m x 72m = 6480 m2 (x 5 levels = 32400 m2)
- The whole land with its garden and productive farm hosts horses and many other animals, plus pathways for sports and walks of appreciation of plants and animals.

Unfortunately the **ZakArium** has still not been built because of the serious economic crisis in Greece that, for now, would prevent its self-financing through a center of recreational activities. The **ZakArium** is located in **Tuscany, Italy**. It will be complemented in **Greece** by the **PsychArium** of **Marina Zea** in **Piraeus**, and the recreational **AnaplasArium** of self-financing in **Vougliagmeni**.
